To Whom It May Concern:

In regards to a request from Mr. Stephen Paganella concerning dual citizenship, I respectfully request that you grant his request and take into consideration certain facts pertaining to his request.

According to the records on file in the Office of the Town Clerk in Southborough, Massachusetts, it shows that the spelling of Antonio Pessini (also known as Antonio Piscina in Italy), is the correct spelling in America.

Apparently when Mr. Pessini came to America he did not have much of an education and could not speak or read English. Consequently when he was asked questions upon his arrival in the United States he agreed with whatever they said because I'm sure he did not want to be refused entry into the United States by asking too many questions.

Enclosed is a certified copy of Mr. Pessini's marriage certificate from November 8, 1900, which indicates that the spelling of his name was "Pessini".

Also enclosed is a certificate of Baptism from St. Anne's Catholic Church signed by the pastor of the church. Mr. Paganella's grandfather who was born on September 15, 1906 and the spelling of his name was "Leo Pessini" born in Fayville, Massachusetts (Fayville is a village in the Town of Southborough, Massachusetts).

I myself was born and raised and am still currently residing in the Fayville section of Southborough, Massachusetts for over 80 years and have been and are still currently for the past 43 years the Town Clerk and have never known the name of "Pessini" to be spelt any other way.

I pray that you will give Stephen Paganella dual Citizenship as his great grandfather Antonio Pessini, also known as Antonio Piscini, was born in Borgo Valdi Taro, Italy on May 10, 1869.

If you require any further information please do not hesitate to contact me at 508-485-0710 ext. 3005.

Sincerely,

Paul J. Berry

Mr. Paul Berry, Town Clerk
17 Common Street
Southborough, Massachusetts

Dear Mr. Berry,

My name is Stephen Paganella. I am the son of Patricia (Pessini) Paganella; Grandson of Leo J. Pessini, and Great grandson of Antonio Pessini. I am in the lengthy process of applying for dual citizenship with the Italian Embassy. In doing research on my great-grandfather Antonio Pessini, I have encountered one obstacle in the spelling of his last name. It appears that while he was unable to read or write when he immigrated to the USA, Ellis Island authorities did the best they could to spell his name as he stated it. There are several documents enclosed that I present to your review. I am begging for your help in a specific manner.

I am interested in obtaining a notarized statement from you, as the Town Clerk of Southborough, Massachusetts that you have reviewed the enclosed records and agree that the person documented in your township as Antonio Pessini and the person listed on the birth certificate from Italy as Antonio Piscina appear to be the same person. This statement would note that Antonio Piscina born May 10 1869 in Borgo Val di Taro, Italy is "also known as" Antonio Pessini as he entered the USA, and resided in Southborough, Massachusetts for many years until his death.

I understand this is a big request, but if you have the time to review the enclosed documents, I pray that you will be able to provide this statement. In the past, the Italian government authorities have accepted a township statement from a town official, such as you, as corroborative evidence. They are aware that misspellings have occurred during entry into the USA.

I have enclosed the following evidence for your review:

- (A) Birth certificate of Antonio Piscina from Borgo Val di Taro, Italy
- (B) Accompanying letter from the Borgo Val di Taro town hall official indicating there is no person with that DOB and spelling of Pessini born of those stated parents in that Italian province. Piscina was his spelling in Italy. Unfortunately he could not read or write.
- (C) Birth certificate of Maria Malchiodi from Rivergaro, Piacenza, Italy
- (D) Marriage certificate of Antonio Pessini and Maria Malchiodi from Southborough, Mass.
- (E) Petition for Naturalization of Antonio Pessini from US District court of Massachusetts

- (F) USA Census from 1920, which indicates he could not read or write. It also includes (in the cover letter) that there may have been at least 3 ways of spelling his last name.
- (G) USA Census from 1930 which continues to indicate Antonio could not read or write.

Here are the correlations:

1. The names of parents on both Antonio and Maria's birth certificates (A and C) match those listed on their marriage certificate. (D)
2. The places of birth AND dates of birth on both birth certificates (A and C) match those listed on the Naturalization papers. (E)
3. The names of the children listed on the Naturalization papers (E) should be familiar to you. Especially my grand father Leo Pessini (father of Patricia Pessini) and his sister Angelina Pessini who is now 100 years old and still living in Southborough. In fact, she still lives in the house of her parents (in which she was born) Antonio and Maria Pessini.

I feel you are uniquely qualified as an official of the town who has personal life long knowledge and familiarity with this family. When Antonio immigrated to the United States he was illiterate and the spelling of his last name changed to what it "sounds like" when you compare the Italian language to the English language. This was not uncommon at all. The 1930 U.S. census clearly lists Antonio as unable to read or write more than 3 decades after he settled in Southborough.

Again, I understand this is a big request but it would be extremely helpful in my application process.

I would welcome any personal conversation with you if you desire. I will be in Boston for the Apostille of several related documents either July 19 or 20, 2012. I could meet with you either of those days, and I would be happy to provide any further assistance that I can.

I understand you time is very valuable and I appreciate your assistance in this matter.

Sincerely,

Stephen Paganella
